

# The vision benefit your employees need to see

About 12 million people in the United States over 40 have vision impairment.<sup>1</sup> But, even employees who have 20/20 vision need periodic eye checkups. In fact, optometrists are often the first to spot life-threatening conditions such as high blood pressure and thyroid problems.<sup>2</sup>

**Aflac's vision coverage can help all your employees see the world – and their health – more clearly. Contact your Aflac representative to learn more.**
